VCO - P100a	Pipe, water outlet, complete,	1100-1300	\$ 3,100.00
	VCO - P100a consists of:		
U 1969	connection, rear cylinder		
U 1970	connection, front cylinder		
T 2319	connection, throttle		
E 2077a	Pipe, water outlet, complete.	1400-2100, A-G	\$ 3,100.00
	Used with 20" radiator, also used for N. America, Canada, Norway, Sweden & Denmark		
	E2077a consists of:		
E 461	connection, water outlet, rear		
E 462	connection, water outlet, intermediate		
E 463	connection, water outlet, intermediate		
E 464	connection, water outlet, front		
T 2319	connection, water outlet, throttle		
E 3196a	Pipe, water outlet, complete, used with 22" radiator, also used for Colonial cars	2200-2600, E-G	\$ 3,100.00
	E3196a consists of:		
E 3192	connection, water outlet, rear		
E 3193	connection, water outlet, intermediate		
E 3194	connection, water outlet, intermediate		
E 3195	connection, water outlet, front		
T2319	connection, water outlet, throttle		
E 3157a	Pipe, water outlet, complete,	H	\$ 3,100.00
	E3157a consist of:		
E 3352	connection, water outlet, rear		
E 3353	connection, water outlet, intermediate		
E 3354	connection, water outlet, intermediate		
E 3355	connection, water outlet, front		
T 2319	connectin, water outlet, throttle qty
